Virginia Premier's Collaboration with Kaiser Permanente

This directory is a listing of all the in-network providers – doctors, nurses, hospitals, etc. – available to members as part of the collaboration between Virginia Premier and Kaiser Permanente.

On Oct. 1, 2018, 15,000 of Kaiser Permanente's Medallion 3.0 members were transitioned to Medallion 4.0 as Virginia Premier members. As part of the collaboration between Virginia Premier and Kaiser Permanente, these members will continue to be able to see Kaiser Permanente's primary care physicians (PCPs). This arrangement has been approved by the Department of Medical Assistance Services (DMAS).

This new collaboration covers eligible members in Arlington, Fairfax, Loudoun and Prince William counties, and the cities of Alexandria, Fairfax, Falls Church, Manassas and Manassas Park, Fauquier in the Northern Virginia region, and Stafford and King George counties in the Central Virginia region. There are roughly 23,000 current Kaiser Permanente members in the cities and counties listed above. All those who become eligible for Medicaid on Jan. 1, 2019, will be able to become Virginia Premier members and get care from Kaiser Permanente.

This arrangement offers a fully integrated health care experience for Northern Virginia residents. Kaiser Permanente's network is one of the largest in Virginia, Maryland and the District of Columbia, with 1,500 primary and specialty care physicians. In addition, Virginia Premier is the second-largest Medicaid managed care organization in Virginia, with a large network of providers in Northern Virginia. Each organization has a mission to provide high-quality, affordable health care services and to improve the health of the members and communities they serve.

Newly enrolled Virginia Premier members will receive a new ID card. They can then choose their PCP. If their PCP is one of Kaiser Permanente's, then they will use the Kaiser Permanente network. Otherwise, they can use Virginia Premier's network of providers in Northern Virginia.

Kaiser Permanente is a leading health care provider serving more than 12.2 million people, with more than 780,000 members in Maryland, Virginia and Washington, D.C. For more information, visit their website at www.kp.org.

Virginia Premier is the only university-based, non-profit managed care organization in the Commonwealth. It has over 220,000 members statewide, and is wholly owned by VCU Health. For more information, visit their website at www.virginiapremier.com.
