

# Changes are coming to Sentara Medicare's dental provider

Starting on January 1, 2025, most Sentara Medicare plans will switch to a new dental provider, Delta Dental of Virginia. Members have access to this quality dental network of 3,475 unique Medicare Advantage network providers, 7,366 Medicare Advantage access points, and 2,492 active locations with a Medicare Advantage network provider.

## Coverage includes:

- Preventive dental: \$0 copay includes two exams, cleanings, bitewing X-rays, and fluoride treatments every 12 months, and one full-mouth X-ray every 36 months.
- Comprehensive dental: yearly allowance covers services such as fillings, dentures, endodontics, and extractions.

Members will be able to look up providers by visiting the provider search tool at [www.providers4you.com/NationalMedicareAdvantage](http://www.providers4you.com/NationalMedicareAdvantage). There, members can search by location, dentist name, or specialty.

**Sentara Community Complete (HMO D-SNP) members will remain with DentaQuest.**

*Sentara Medicare is an HMO with a Medicare contract.  
Enrollment in Sentara Medicare depends on contract renewal.*
