Estimate Treatment Costs	
TOTAL COST TREATMENT ESTIMATOR	CPT CODE TREATMENT ESTIMATOR
Uses historical claims data to provide estimates for the total cost of over 600 shoppable services and common procedures like labs, surgeries, office visits and more. Cost estimates are tailored to your benefit plan, taking your deductible, out of pocket limits and costs into account, to provide an estimate of what you may pay.	Provides pricing and cost sharing information for 500 items and services from a specific provider or providers, that may be covered under your Plan. Cost estimates are provided for a single item or service, and may not be representative of the total cost estimate for a procedure.

Explore your options:

- Search for estimates two ways:
 - Total Cost Treatment Estimator - provides total cost of care for procedures
 - CPT Code Treatment Estimator - provides costs of items and services from a specific provider
- Review out-of-pocket estimates* based on real-time balances of your health plan's deductibles and out-of-pocket maximums.
- Explore cost-saving tips and additional guidance on technical healthcare information relevant to your search.
- View maps, get directions, call for appointments, and print or email estimates.

***Please Note:** Estimates provided within the Treatment Cost Estimator are not quotes. While every effort is made to provide members with the most accurate information, in some instances the actual charges from your healthcare provider may be different than the average estimate provided.
