

Fill your prescriptions with home delivery

How it works.

1. Order up to a three-month supply of your maintenance medications — ones you take regularly — by mail, phone or online.
2. OptumRx® fills your order, mails it to you and lets you know when to expect your delivery.
3. Your medication arrives within 7 to 10 days of placing the order. OptumRx will notify you if there will be a delay in your order.
