- 1. What is a Health Reimbursement Arrangement (HRA)?** An HRA is an employer-sponsored fund available to you and your eligible dependents to use in conjunction with your health plan. The funds are promised by your employer to help pay for eligible out-of-pocket medical expenses, such as a deductible or coinsurance. Your employer determines the amount contributed and when the funds will be available to pay towards your, or your family's, eligible medical expenses.
- 2. How does an HRA work?** Your employer is the only one who can contribute to the HRA. This is a promise-to-pay arrangement, meaning funds are provided when eligible medical expenses are incurred up to the specific amount designated by your employer.
- 3. Can I pay for all my out-of-pocket medical expenses with my HRA?** No, the HRA can only be used to pay for eligible medical expenses that apply to your medical deductible.
- 4. Are my employer's HRA contributions taxable to me?** No, your employer's contributions to the HRA are not included in your income. Any payments for eligible medical expenses made from the HRA are tax-free to you.
- 5. What are the benefits of using Sentara Design?** Sentara Design plans have a simple enrollment process into the health plan and into the HRA. You do not have to submit claim forms or receipts to use HRA funds for covered out-of-pocket costs. Your portion of a processed claim's cost is automatically sent to our HRA administrative partner to substantiate the expenses. You will have access to HRA payments, fund activities, claim monitoring, fund balances, and a variety of other healthcare resources when you sign in at sentarahealthplans.com.
- 6. Can HRA funds be used at any time in the plan year?** Yes, however they must pay for eligible medical expenses as designated by your employer.
- 7. Does my HRA earn interest or can the funds be invested?** No, these are promise-to-pay funds from your employer and are not a personal interest-bearing or growth account.
- 8. Are wellness and preventive benefits covered under my Sentara Design Plan?** Yes, most wellness or preventive benefits are covered before the general deductible. Preventive care generally includes routine check-ups, well-baby care, annual GYN exam, and preventive screenings such as mammography and colonoscopy screenings.
- 9. What happens to HRA funds if I change jobs or retire?** HRA funds are not portable; however, you may continue your health insurance and/or the HRA through COBRA. Please speak directly with your employer about your eligibility for COBRA continuation.
