

Sentara Medicare Rx (PDP) 2025 Pharmacy Directory

For more recent information or other questions, please contact Sentara Medicare Rx Member Services at 1-800-543-3359 or, for TTY users, 711, 24 hours per day, 7 days per week, or visit sentarahealthplans.com/cos.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at sentarahealthplans.com/cos. You may also call Member Services at 1-800-543-3359 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of Sentara Medicare Rx's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Sentara Medicare Rx's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Sentara Medicare. When it refers to "plan" or "our plan," it means Sentara Medicare Rx (PDP).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Sentara Medicare Rx only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of <January 1, 2025>. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with  (PRP) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts® Mail Order Pharmacy. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the 50 states plus the District of Columbia, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the 50 states plus the District of Columbia.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Sentara Medicare Rx.
