New Seminars Available Every Month in Each Series

When Life Gets Legal

Life's everyday events can have legal implications, and our **When Life Gets Legal** series is here to guide you through them. Hosted by Legal Resources and presented by our network of expert attorneys, this series covers a wide variety of topics to help you understand how everyday situations can impact your legal rights. Stay informed and proactive!

Identity Theft Today

With the rise of online threats, safeguarding your personal information has never been more critical. Presented by Certified Identity Theft Protection Professionals, our **Identity Theft Today** series covers prevention techniques, common scams, and proactive steps to enhance your security. Protect your personal and financial information!

Conversations for Caregivers

If you're caring for a loved one, you'll find invaluable support in our **Conversations for Caregivers** series. These seminars provide practical tools and insights for managing caregiving responsibilities, including care planning, identity protection, and navigating medical care options. Support your loved ones while taking care of yourself!
