Definitions

Member: The person who is subject of the protected health information.

HIPAA Authorized Representative: Someone who has the legal authority to act on an individual's behalf to make decisions about that person's health care. Parents may be HIPAA Authorized Representatives for minors, except those minors who have been given the legal freedom to act on their own. HIPAA Authorized Representatives may include guardians, conservators and other persons who have been given legal responsibility for another individual. Federal law, state law, and the specific terms of the appointment determine the authority granted to the HIPAA Authorized Representative.

Member Identification [(ID)] Number: The number assigned to an individual by a health plan. Sometimes it is the individual's social security number.

Password: This is a combination of letters and/or numbers which is selected by the member and is to be used to identify the person requesting information.
