

Convenient access to your reimbursement funds

MyCash is an individual cash account that securely holds your reimbursement funds until you spend or move them.

On those rare occasions when you do not use your TASC Card to pay for an eligible employee benefits expense, simply submit a request for reimbursement via the MyTASC Mobile app or online Request for Reimbursement form in MyTASC (www.tasconline.com).

Requests are processed daily and approved reimbursements are deposited directly into your MyCash account—usually within 24-48 hours. Reimbursements are quick—*even faster than with direct deposit!*

Then you choose how to use your MyCash funds. There are no restrictions on type of expense or merchant. These are your reimbursement funds and can be spent just like cash everywhere MasterCard® is accepted.

Access your MyCash funds in three ways:

1. Swipe your TASC Card at any merchant that accepts MasterCard.
2. Withdraw at an ATM (with a PIN) using your TASC Card.
3. Transfer to a personal bank account via MyTASC.

"I submitted a manual request for reimbursement and about a day later my reimbursement was available in my MyCash account. I paid for my groceries at the grocery store using my TASC Card. The whole process was so easy and convenient!"

—Shari, FlexSystem Participant

Join the MyCash Movement

Hundreds of thousands of FlexSystem Participants are enjoying the convenience of MyCash in their daily lives! You can, too.

Did you know...

- 93% of FlexSystem Participants have the TASC Card.
- 95% of TASC Card holders have access to MyCash.
- While 84% of reimbursements are paid via the TASC Card at the point of purchase, 56% of Participants who submit manual requests for reimbursement and receive MyCash disbursements choose to access their MyCash with the swipe of their TASC Card.
- Participants swipe their cards for MyCash transactions more than 800 times a day!

Pay for healthcare and general items in one transaction with the TASC Card.

Eligible benefit items are paid from your benefits account and ineligible items from MyCash.

Ready, Set, Go!

All new FlexSystem Participants will receive reimbursement disbursements via MyCash unless direct deposit is established. You may access your MyCash funds via the swipe of your TASC Card at any merchant or ATM that accepts MasterCard, or transfer to a personal bank account via MyTASC.

Currently set up for direct deposit but want to take advantage of the convenience of MyCash access via the TASC Card? You can! Log in to MyTASC (www.tasconline.com) and click the MyCash tab. From your Active Schedule, click the red X to delete your current schedule. With no scheduled transfer, your next reimbursement will be deposited in MyCash, ready to access with the swipe of your TASC Card.

Manage your MyCash

It's easy to view and manage your MyCash funds from MyTASC.

- View recent MyCash reimbursements, transfers, ATM withdrawals, and/or TASC Card transactions.
- View TASC Card information, view allowed benefits, reissue a card, request a PIN, request a dependent card, and view card history.
- Save bank account details to easily schedule transfers from MyCash to a personal bank account.
- Schedule a transfer to a personal checking or savings account.

A screenshot of the MyTASC web interface for scheduling a MyCASH transfer. The page has three tabs: 'Recent Activity', 'Active Schedule', and 'Schedule MyCASH Transfer'. Below the tabs, there's a heading 'Schedule MyCASH Transfer' with a small blue icon. A note states: 'You may schedule only one (1) active transfer at a time. Unless specified by date, most transfers are completed within three (3) business days. This turnaround time cannot be guaranteed because it is affected by the date and time of your request and your financial institution.' The interface is divided into two main sections: '1 Move MyCash...' and '2 In this way...'. In section 1, there's a dropdown menu for 'Transfer to me via:' set to 'My Personal Account', with an 'Add a Bank Account' button below it. In section 2, there are radio buttons for 'One Time' (selected) and 'Recurring'. Below these, there are fields for 'Account Name:' (My Personal Account), 'Account Type:' (Savings), and 'Routing Number:' (****567). A 'Transfer to me:' field is also present.

Making MyCash Transfers

The industry-exclusive MyCash tools let you make transfers how and when it's convenient for you!

Using a robust set of options, you may transfer funds from MyCash to a personal savings or checking account any time from anywhere.

Set up a one time or recurring transfer:

One Time Transfer

A single transfer scheduled in advance using saved or new bank account details, based on date or amount.

Recurring Transfer

Multiple transfers scheduled in advance using saved or new bank account details, based on date or amount.

To establish direct deposit, visit MyTASC and click Set Up Direct Deposit.
