Flexible Spending Account

(with carryover)

A healthcare FSA lets you use tax-free money to pay for eligible medical expenses.¹ FSAs help members realize significant savings on healthcare costs. Don't think of it as money deducted from your paycheck – think of it as money added to your wallet.

- Access annual contribution amount on day one
- Fast, hassle-free payments and reimbursement
- Keep a portion of your FSA funds into the next plan year²

¹FSAs are never taxed at a federal income tax level when used appropriately for qualified medical expenses. Also, most states recognize FSA funds as tax deductible with very few exceptions. Please consult a tax advisor regarding your state's specific rules. | ² See your plan documents for complete details. | ³The example is for illustrative purposes only. Estimated savings are based on a maximum annual contribution and an assumed combined federal and state income tax bracket of 20%. Actual savings will depend on your contribution amount and taxable income and tax status. | ⁴Contribution limit is accurate as of 11/09/2023. Each fall the IRS updates the FSA contribution limits.
