

Are you happy with your Medicare plan?

There are plans that may work better for you. A Medicare Advantage Special Needs plan (SNP) from Sentara Medicare covers both medical and prescription drug coverage, all for a \$0 premium.

You have options

Sentara Medicare knows you're not just another face in the crowd. You have unique needs, and that's why these plans were created with you in mind.

- **Dual eligible special needs plan (D-SNP)**
Do you have Medicaid? A D-SNP will give you more benefits than Medicaid alone, for a \$0 premium. You'll also get a care coordinator to help make your care seamless.
- **Partial dual special needs plan (D-SNP)**
If you are not fully eligible for Medicaid, but are a Qualified Medicare Beneficiary (QMB), our \$0 premium partial D-SNP may be a good fit for you.
- **Chronic condition special needs plan (C-SNP) for Diabetes & Heart**
This \$0 premium and copay plan was created for individuals who have diabetes, chronic heart failure, or cardiovascular disease. If you have diabetes, you can get \$0 insulins¹ including Lantus, Novolog, Humalog, and Toujeo.
- **Chronic condition special needs plan (C-SNP) for Lung²**
This \$0 premium and copay plan was created for individuals who have asthma, chronic bronchitis, emphysema, pulmonary fibrosis, or pulmonary hypertension. Members living with a chronic lung disorder will receive special coverage for oxygen supplies and other medical equipment.

Plans from Sentara Medicare also include extra benefits, like a monthly grocery allowance,³ a quarterly over-the-counter products allowance, allowances for dental, vision, and hearing, a SilverSneakers® fitness benefit, transportation,⁴ and more.
