## C. MEDICAL PROFILE SUPPLEMENT CERTIFICATION

Please read and provide signature and date. Signature is REQUIRED for underwriting review.

I have read or had read to me the completed application and realize that if I make any false statements or an intentional material misrepresentation of fact in this application it may result in loss of coverage or no coverage. I acknowledge that if my coverage is terminated or rescinded because of my misrepresentations or fraudulent actions, I would be responsible for paying health care claims I incurred and not Sentara Health Plans or Sentara Health Insurance Company.

I understand and agree that Sentara Health Plans or Sentara Health Insurance Company, as checked on page 1 of this application, will rely upon the above information and answers as the basis for establishing group premium rates for health care coverage.

I authorize any physician, hospital, clinic, other medical or medically-related provider, facility, insurance company or other organization, institution or person that has any knowledge of my health or the health of my spouse, Domestic Partner, and/or dependents as listed on my completed member application to disclose such information to the extent permitted by law to Sentara. The information disclosed to Sentara will be used for the purpose of compiling an accurate evaluation of this application and to establish group premium rates for the group.

I understand this authorization shall extend to representatives of Sentara, as checked on page 1 of my completed member application, as needed to fulfill the purposes of the disclosure. This authorization does not permit the use or disclosure of psychotherapy notes. This authorization is valid for the term of coverage under the group plan in connection with claims payment, and in connection with an application for coverage, policy reinstatement or a request for change in policy benefits, this authorization shall be valid for thirty (30) months from the date shown below.

I understand that I may be contacted by Sentara, as checked on page 1 of my completed member application, to obtain additional follow-up information on health conditions disclosed in Section B of this questionnaire for me, my spouse, Domestic Partner, and/or my covered dependents.

I understand that I or my authorized representative may receive a copy of this authorization upon request. I agree that a photographic copy of this authorization shall be as valid as the original.

I certify that I am working at the employer's place of business in full-time employment at least twenty-five (25) hours per week.

I understand that coverage will be through my employer's health plan. I understand that my employer's application will determine the coverage and that coverage will only be in place if an application for the coverage has been made by my employer. I authorize my employer to make deductions from my earnings necessary to provide my contribution for this coverage and I understand that my employer is performing this service for my benefit and is not an insurance agent for Sentara.

I am applying for health coverage for the persons listed and agree that we shall abide by the provisions of coverage in the coverage document under which we will be enrolled. I understand that I am obligated to select a Plan-participating primary care physician for myself and for my covered dependents if choosing Sentara Health Plans HMO or Sentara Health Plans POS/POSA. I understand that it is my responsibility to report to the plan indicated on page 1 of this application any change in eligibility of my dependents. If requested, documentation will be supplied. I also understand that I am obligated to pay applicable Copayment or Coinsurance at the time services are rendered.
