Hope for grieving families

Who attends Sentara Camp Beacon?

Sentara Camp Beacon is a camp for children and teens (grades K-12) who have experienced the death of a close family member or friend within the past two years. This camp is a safe place where feelings of grief can be expressed without worrying about the reactions of others.

Hosted by Sentara Hospice Services since 2006, certified professionals and volunteers help children and their families explore issues related to grief, walking beside them as they take the steps needed to heal. Parents, grandparents, and caregivers are also encouraged to participate in their own adult group.

Reserve your space now, as enrollment is limited. The only cost for camp is a \$20 camp registration fee, which will be waived if there is a financial need.
