

Starting July 1, 2023, Optima Health will implement changes to the formulary and prior authorization requirements billed through the pharmacy benefit. For the most up-to-date formulary and authorization requirements, providers should refer to the website: [optimahealth.com/providers/pharmacy/formularies-and-drug-lists](https://optimahealth.com/providers/pharmacy/formularies-and-drug-lists)

The listing below outlines the impacted pharmacy drugs.

<b>Drug Label Name and Description</b>	<b>Current Formulary Status</b>	<b>New Formulary Status</b>	<b>Preferred formulary alternative(s)</b>
