Respiratory Disease Management Program

Earn 300 Wellness Points

The Sentara Health Plans Respiratory Disease Management Program provides you with information to help keep your asthma and/or COPD under the best possible control. Members are encouraged to work with their physician to develop and stick with a treatment plan. If you have been diagnosed with asthma and/or COPD and are enrolled with Sentara Health Plans through a City of Suffolk benefit plan, you may be eligible to earn incentives by participating in the program. To get started, contact us by calling **1-866-503-2730** or emailing mylifemyplanrewards@sentara.com.

Program Criteria¹

- communicate with Sentara Health Plans coach at least once every three months during the year
- maintain compliance with medication, including taking medications as prescribed and refilling appropriately (must complete every six months to continue to receive pharmacy copayment discount)
- actively receiving treatment for asthma or COPD
- visit with physician at least once a year
- follow treatment plan as prescribed by your provider to include appropriate nutrition and activity

Reward for Completion of Program

Reward

- \$0 pharmacy copayments on Tier 1 and Tier 2 asthma and/or COPD medications (discount applies to both retail and mail-order pharmacy and is applied within 72 business hours)
- Disease Management Program Completion: 300 Wellness Points

If you do not meet all the requirements by the end of the year, the pharmacy copayment reduction will be removed January 1. You will not be able to re-enroll until the following year. Members who meet all criteria will continue with their pharmacy copayment reduction.
