

Dear Community Resident, we want to hear from you!

LET YOUR VOICE BE HEARD!

2025 COMMUNITY HEALTH NEEDS ASSESSMENT (CHNA)

ABOUT THE CHNA

The Community Health Needs Assessment (CHNA) is conducted every 3 years and developed through a collaborative process with local health system partners, to include Bon Secours Hampton Roads, Children's Hospital of the King's Daughters, Riverside Health, Sentara Health, and the Hampton and Peninsula Health Districts.

This survey helps identify the community's current health status, needs, and issues, and serves to inform and advance community health improvement efforts.

WHAT YOU SHOULD KNOW

- Responses are anonymous
- Your input will provide direction for community health improvement efforts
- Survey results will be posted on each health system's website
