Tips for AvMed Providers

## Start the Year with Annual Wellness Visits & Flu Shots

Encourage your patients to schedule their annual wellness visit and discuss all preventive care needs. Providers are the most trusted source of vaccine information and advice. It is the best protection not only among patients, but also those around them. Please encourage your patients to get their flu shot.

## Educating Your Patients for After-hours Care Needs

Accidents and sudden illness happen. When they happen to your patients, where do you want them to go for care?

## AvMed has Upgraded to Zelis Payments

AvMed has upgraded its systems to enhance the Provider experience and deliver on our promise of healthcare that is simple, seamless, personal, and affordable. As part of this effort, we transitioned to Zelis Payments, a trusted leader in healthcare payments. If you're already enrolled with Zelis, no action is needed, you'll continue receiving payments just as you do today. Providers not enrolled must [register with Zelis](#) to receive electronic payments. We also encourage all Providers to register with Availity to ensure the smoothest possible experience. Stay tuned as we provide more information on this exciting transition.

## Follow-Up After Behavioral Health Inpatient Stays

Hospital stays can be stressful for behavioral health patients—so much so that follow-up visits with a Primary Care Physician (PCP) or specialist often fall by the wayside. Follow-up care is an integral part of recovery. Read about how you can play a part in that recovery.
