L. CERTIFICATION AND AUTHORIZATION**The following section must be signed and dated by the primary applicant.**

I understand that no coverage will be in force until Sentara determines eligibility for coverage, and notifies me of the first effective date of coverage. I understand that my enclosed premium will be applied to coverage for eligible person(s); and I understand that the premium will be refunded if no persons are eligible for coverage selected and no other coverage is accepted. I also understand that premiums not paid in accordance with this provision, and the terms of the policy, will result in the non-renewal or discontinuance of the policy issued from this application.

I understand that the policy that I am applying for is an individual health insurance policy, and I understand that the policy, if issued, shall not be used as an employer provided healthcare benefit plan. I certify that no employer of any person covered under this policy may pay any premium for this coverage, directly or indirectly, including through wage adjustment. I understand that "employer" does not include a trade or business wholly owned by an individual or individual and spouse that has no other employees or that does not offer health benefits to any other employees. Also, as it pertains to this provision, a church may purchase an individual policy if only purchasing it for one employee.

I understand that coverage is not in force until the effective date shown on the Schedule of Benefits issued to me or my dependents. I am applying for health coverage for the persons listed on the application, and I agree that we shall abide by the provisions of coverage in the policy document under which we will be enrolled. I understand that it is my responsibility to report to Sentara any change in eligibility of myself and my dependents. I agree to provide supporting documentation that is acceptable to Sentara if requested.

I understand that Sentara may receive and collect personal information from persons other than me. The collected personal or privileged information may be disclosed to third parties without authorization. I understand that I have a right to access and correct all personal information collected in reference to my policy and that I will receive upon request Sentara's complete notice of information collection and disclosure practices.

I hereby authorize any provider of health services or any insurance company that has any personal medical records or knowledge of my health or my dependents' health to give to Sentara any such personal medical information for the purposes of administering coordination of benefits provisions and for the payment of claims once enrolled. This Authorization shall extend to representatives of Sentara as needed to fulfill the purposes of the disclosure. This Authorization shall not extend to the disclosure of a provider's notes taken during psychotherapy sessions that are maintained separately from the rest of the provider's medical record.

L. CERTIFICATION AND AUTHORIZATION *(continued)*

I understand any personal medical information received by Sentara pursuant to this application is subject to restrictions on disclosure to others as set forth under state and federal laws. I understand that there is a possibility of redisclosure of any information disclosed pursuant to this Authorization, and that information, once disclosed, may no longer be protected by federal rules governing privacy and confidentiality. I understand that authorizing the disclosure of this health information is voluntary. I need not sign this form in order to assure treatment. I understand that I, or my authorized representative, are entitled to receive a copy of this Authorization upon request, and I agree that a photographic copy of this Authorization shall be as valid as the original. I understand that for the purposes of processing and payment of claims and for administration of coordination of benefits provisions this Authorization is valid for the term of the policy.

I understand that I can revoke this Authorization at any time by giving written notice to Sentara Health at 1300 Sentara Park Virginia Beach, VA 23464. I also understand that my revocation will not affect the rights of any individual who has acted in reliance on the Authorization prior to receiving notice of my revocation. I understand that, for the purpose of collecting information in connection with this application, this authorization is valid for 30 months from the date of my signature, and for the purpose of collecting information in connection with a claim for benefits this authorization is valid for the term of coverage for the policy.

If a legal representative signs on behalf of the applicant or any other person to be covered, the legal representative's signature constitutes an attestation that the legal representative possesses the authority to sign on behalf of the individual. I further understand that I or my legal representative may receive a copy of this application upon request.

If you or any of your covered dependents are covered by more than one health plan, benefits under your Sentara plan will be coordinated so that the same health care services don't get paid for twice.

I, and my agent (if applicable), hereby certify that I have read, or have had read to me, the completed application; and that I realize that any false statement or misrepresentation in the application may result in loss of coverage under this policy.
