Large Group Benefit Summary

This document is not a contract or health plan policy from Sentara. If there are any differences between this Benefit Summary and the Plan coverage documents issued when You are enrolled, the provisions of the coverage documents will prevail for all benefits, conditions, cost sharing, and limitations and exclusions.

This document is an overview of Your Covered Services and Your out-of-pocket cost sharing amounts including any Deductibles, Copayment and Coinsurance. There are two benefit columns. One column lists cost sharing amounts You will pay for In-Network benefits from Plan Providers. The other column lists cost sharing amounts You will pay for Out-of-Network benefits from Non-Plan Providers. You or Your means the Subscriber and each family member who is a Covered Person under the Plan.

Details about Covered Services are in the section “What is Covered." Details about services and treatments that are not Covered are in the section “What is Not Covered."

Some benefits require Pre-Authorization before You receive them. These services are marked with an * in this document.

Some Covered Services may have visit limits. Once a visit limit is reached, no additional services are Covered under the benefit. If a service is shown as Covered under Out-of-Network benefits, visit limits are combined with In-Network and Out-of-Network benefits unless otherwise stated.

Services or treatment You receive Out-of-Network or from Non-Plan Providers will be Covered under Your Plan’s Out-of-Network benefits unless:

1. The Covered Service is an Emergency Service or an air ambulance service;
2. During treatment at an In-Network Hospital or other In-Network Facility, You receive Covered Services from a Non-Plan Provider; or
3. We have approved Your Covered Service in advance as an Authorized Out-of-Network Service.

For the services above, Members are only responsible for applicable In-Network Copayments, Coinsurance and Deductibles which will be applied to In-Network Maximum Out-of-Pocket Amounts. Members are protected from balance billing for these services.

If Your Plan has a Deductible, that is the dollar amount that must be paid out-of-pocket by a Member for Covered Services each year before the Plan begins to pay for benefits. Your Plan may have separate Deductibles for In-Network and Out-of-Network benefits.

Copayments and Coinsurances listed in this document are amounts You pay directly to a Provider for a Covered Service. Copayments are shown as flat dollar amounts. Coinsurance is shown as a percentage of the Plan’s Allowable Charge for Your Covered Service. For some benefits You may see the statement, “Cost sharing determined by the type and place of service.” For these services Your cost sharing will be based on where You receive a service, for example in a Physician office or inpatient setting, and/or the type of service. You may also have to pay for balance billing amounts that are more than the Plan’s Allowable Charge for a Covered Service from Non-Plan Providers.

Some benefits require Pre-Authorization before You receive them. These services are marked with ***** in the chart.

Your Plan's Maximum Out-of-Pocket Amount means the total dollar amount Members pay out-of-pocket for most Covered Services during a year. Deductibles, Copayments and Coinsurance for most Covered Services count toward the Maximum amount. Your Plan may have separate Maximum amounts for In-Network and Out-of-Network benefits.

Some benefits require Pre-Authorization before You receive them. These services are marked with ***** in the chart.

Deductible and Maximum Out-of-Pocket Amount (MOOP)		
	In-Network	**Out-of-Network**
Deductible Plan Year	$3,500/Individual; $7,000/Family	$3,500/Individual; $7,000/Family

The In-Network and Out-of-Network Deductibles are separate. Most amounts You pay for In-Network Covered Services will count toward meeting the In-Network Deductible. Most amounts You pay for Out-of-Network Covered Services will count toward meeting the Out-of-Network Deductible.

The Plan Deductible applies to all Covered Services except for:

- In-Network Preventive Care Services required by law;
- Other services in this document shown as Covered without a Deductible.

If You are the Subscriber, and the only Member Covered under Your Plan, the Individual Deductible amount applies. If You have other family members on Your Plan, the Family Deductible amount applies. The Plan has an embedded Individual Deductible within the Family Deductible. If one family member meets the Individual Deductible, his or her benefits will begin. Once the total family Coverage Deductible is met benefits are available for all family members. No one Member can contribute more than their Individual Deductible amount to the Family Deductible. Copayment or Coinsurance amounts a Member pays for services shown as Covered without a Deductible will not count toward meeting the Individual or Family Deductible.

	In-Network	**Out-of-Network**
Maximum Out-of-Pocket Plan Year	$3,500/Individual; $7,000/Family	$6,000/Individual; $12,000/Family

The In-Network and the Out-of-Network Maximum Out-of-Pocket Amounts are separate. Most amounts You pay for In-Network Covered Services will count toward meeting the In-Network Maximum. Most amounts You pay for Covered Services Out-of-Network will count toward meeting the Out-of-Network Maximum.

The following will not count toward any Plan Maximum Amount(s):

- Amounts You pay for services not Covered under Your Plan;
- Amounts You pay for any services after a benefit limit has been reached;
- Balance billing amounts that are more than the Plan's Allowable Charge for a Covered Service from Non-Plan Providers;
- Premium amounts;
- Copayments, Coinsurance, or Deductibles for Covered Services that are not Essential Health Benefits;
- Other services in this document that are shown as excluded from the Maximum Amount.

If You are the Subscriber, and the only Member Covered under Your Plan, the Individual Maximum applies. If You have other family members on Your Plan, the Family Maximum applies. Under family Coverage, the Individual Maximum applies separately to each Covered family member. Once the total family Coverage Maximum is met, the Family Maximum Amount is satisfied. No one Member can contribute more than their Individual Maximum Amount to the family limit.

Some benefits require Pre-Authorization before You receive them. These services are marked with ***** in the chart.
