

Financial Assistance Policy Plain Language Summary

Financial Assistance for Emergency or Other Medically Necessary Care in a Sentara Hospital Facility

If you are unable to pay your bill, please contact us at the telephone number or address below for the facility in which you received services to see if you are eligible for financial assistance. Each patient's need for financial assistance is evaluated according to the level of his/her household income, in light of relevant facts and circumstances, such as reported income, assets, liabilities, expenses, and other available resources. Free care is available to insured patients whose household income is 200% or below the federal poverty level with less than \$50,000 in available assets. Free care is available to uninsured patients whose household income is 300% or below the federal poverty level with less than \$50,000 in available assets. Additionally, uninsured patients whose household income is between 300% and 400% of the federal poverty level with less than \$50,000 in available assets will receive a 75% discount.

See <http://aspe.hhs.gov/poverty/index.cfm> for the current federal poverty guidelines published by the U.S. Department of Health and Human Services.

The complete financial assistance policy ("FAP"), along with an application for financial assistance, can be found at www.sentara.com/financialassistance. Paper copies are also available at any patient registration area within a Sentara hospital facility and will be mailed free-of-charge to a patient upon request.
