

Sentara Health Plans and PHCS/MultiPlan

A Core Offering For PPO (Plus), POS, and POSA Plans!

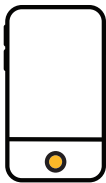

Information about your plan for you and your provider

Sentara Health Plans partners with PHCS/MultiPlan to provide national network coverage.

- Your plan includes the Sentara Health Plans network, which covers you in Virginia and northeastern North Carolina.
- Beyond our local network, your plan includes access to a national network through PHCS/MultiPlan.

Your plan includes in-network benefits for covered services when you access a PHCS/MultiPlan provider outside of the Sentara Health Plans service area.

- The Sentara Health Plans service area is defined by participating providers in the Commonwealth of Virginia and northeastern North Carolina.
- With your plan through Sentara Health Plans, emergency situations—regardless of the provider's network status—are treated as in-network events.

For questions about PHCS/MultiPlan coverage, please call the member services phone number located on the back of your member ID card.

The PHCS/MultiPlan coverage may be used for:

Out-of-Area Dependents

Members living outside the Sentara Health Plans service area

Coverage when traveling outside the Sentara Health Plans service area

Please contact your Human Resources department for additional information.
