HMO Optima Vantage 250/30/60 Portsmouth Public Schools Plan Effective Date: 01/01/2023 Sentara Health Plans, Inc. Large Group Benefit Summary

This Benefit Summary is not a contract or health plan policy from Optima Health. If there are any differences between this document and the Optima Health coverage documents issued when You are enrolled, the provisions of the coverage documents will prevail for all benefits, conditions, cost sharing, and limitations and exclusions.

This document is an overview of Your Covered Services and Your out-of-pocket cost sharing amounts including any Deductibles, Copayment and Coinsurance. You or Your means the Subscriber and each family member who is a Covered Person under the Plan. Details about Covered Services are in the section "What is Covered." Details about services and treatments that are not covered are in the section "What is Not Covered."

Some benefits require Pre-Authorization before You receive them. These services are marked with an * in this document.

Some Covered Services may have visit limits. Once a visit limit is reached, no additional services are covered under the benefit. If a service is shown as covered under Out-of-Network benefits visit limits are combined with In-Network and Out-of-Network benefits unless otherwise stated.

Services or treatment You receive Out-of-Network or from Non-Plan Providers will not be covered under Your Plan unless:

- 1. The Covered Service is an Emergency Service;
- 2. During treatment at an In-Network hospital or other In-Network facility You receive Covered Services from a Non-Plan Provider; or
- 3. We have approved Your Covered Service in advance as an Authorized Out-of-Network Service.

If Your Plan has a Deductible that is the dollar amount that must be paid out-of-pocket by a Member for Covered Services each year before the Plan begins to pay for benefits.

Copayments and Coinsurances listed in this document are amounts You pay directly to a Provider for a Covered Service. Copayments are shown as flat dollar amounts. Coinsurance is shown as a percentage of the Plan's Allowable Charge for Your Covered Service. You will pay a Copayment or a Coinsurance, but not both, for a Covered Service. For some benefits you may see the statement, "Cost sharing determined by the type and place of service." For these services Your cost sharing will be based on where You receive a service, for example in a physician office or inpatient setting, and/or the type of service.

Your Plan's Maximum Out-of-Pocket Amount means the total dollar amount Members pay, or that are paid on their behalf, out-of-pocket for most Covered Services during a year. Deductibles, Copayments and Coinsurance for most Covered Services count toward the Maximum Amount.

Deductible and Maximum Out-of-Pocket Amount (MOOP) In-Network Out-of-Network Deductible \$250/Individual, \$500/Family Not Covered

Amounts You Pay for most In-Network Covered Services will count toward meeting the In-Network Deductible. The Deductible applies to all Covered Services except for:

- In-Network Preventive Care Services required by law;
- Other services in this document shown as Covered without a Deductible.

If You are the Subscriber, and the only Member Covered under Your Plan, the Individual Deductible amount applies. If You have other Family Members on Your Plan the Family Deductible amount applies. The Plan has an embedded Individual Deductible within the Family Deductible. If one Family Member meets the Individual Deductible his or her benefits will begin. Once the total Family coverage Deductible is met benefits are available for all family Members. No one Member can contribute more than their Individual Deductible amount to the Family Deductible. Copayment or Coinsurance amounts a Member pays for services shown as covered without a Deductible will not count toward meeting the Individual or Family Deductible.

Any amounts applied to the Plan Deductible during the last three months of the Plan year can be carried forward to the next year.

Most amounts You pay, or that are paid on Your behalf, for In-Network Covered Services will count toward meeting the In-Network Maximum Out of Pocket Amount.

The following will not count toward any Plan Maximum Amount:

- Amounts You pay for services not covered under Your Plan;
- Amounts You pay for any services after a benefit limit has been reached;
- Balance billing amounts that are more than the Plan's Allowable Charge for a Covered Service from Non-Plan Providers;
- Premium amounts;
- Copayments, Coinsurance, or Deductibles for Covered Services that are not Essential Health Benefits;
- Ancillary charges which result from a request for a brand name outpatient prescription drug when a Generic Drug is available;
- Other services in this document that are shown as excluded from the Maximum Amount.

If You are the Subscriber, and the only Member covered under Your Plan, the Individual Maximum applies. If You have other Family Members on Your Plan the Family Maximum applies. Under Family coverage, the Individual Maximum applies separately to each Covered Family Member. Once the total Family Coverage Maximum is met the Family Maximum Amount is satisfied. No one Member can contribute more than their Individual Maximum Amount to the Family limit.

Prescription Drugs LG_150/\$300D_15BD_40_50_20%

This document describes Your Plan's outpatient prescription drug coverage for medical and mental health and substance use disorder treatement. All drugs must be United States Food and Drug Administration (FDA) approved, and You must have a prescription. You will need to pay Your Copayment or Coinsurance when You fill your prescription at the pharmacy. If Your Plan has a Deductible, You must meet that amount before Your coverage begins. Some drugs require Pre-Authorization by Your Physician, and some quantities may be limited.

Details about Covered Services are in the section "What is Covered". Details about services and treatments that are not covered are in the section "What is Not Covered."

Prescriptions may be filled at a participating, In-Network Plan pharmacy or at a non-participating pharmacy or its intermediary if the non-participating pharmacy or its intermediary has agreed in writing to accept as payment in full reimbursement from the Plan or its Pharmacy Benefit Manager, including any Copayment or Coinsurance consistently imposed by the Plan or its Pharmacy Benefit Manager, at the same level as the Plan or its Pharmacy Benefit Manager, at the same level as the Plan or its Pharmacy Benefit Manager, at the same level as the Plan or its Pharmacy Benefit Manager, at the same level as the Plan or its Pharmacy Benefit Manager, at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level as the Plan or its Pharmacy Benefit Manager at the same level a

Our formulary is a list of FDA-approved medications that we cover. Prescription drugs are reviewed by the Plan's Pharmacy and Therapeutics Committee for placement onto the formulary. For a single Copayment or Coinsurance charge, You may receive up to a consecutive 31-day supply of a covered drug at a retail pharmacy. Some drugs may be available under the Plan's mail order pharmacy. Specialty Drugs are available up to a 31-day supply and can be delivered to Your home address from Optima Health specialty mail order drug pharmacy.

This formulary is organized into the following tiers, which determine what You pay out-of-pocket to fill a prescription:

<u>Preferred Generic Drugs (Tier 1)</u> includes commonly prescribed Generic Drugs. Other drugs may be included in Tier 1 if the Plan recognizes they show documented long-term decreases in illness.

<u>Preferred Brand & Other Generic Drugs (Tier 2)</u> includes brand-name drugs and some Generic Drugs with higher costs than Tier 1 Generic Drugs that are considered by the Plan to be standard therapy.

Non-Preferred Brand Drugs (Tier 3) includes brand name drugs not included by the Plan on Tier 1 or Tier 2. These may include single source brand name drugs that do not have a Generic Product Level equivalent or a therapeutic equivalent. Drugs on this tier may be higher in cost than equivalent drugs, or drugs determined to be no more effective than equivalent drugs on lower tiers.

Specialty Drugs (Tier 4) includes those drugs classified by the Plan as Specialty Drugs. Specialty Drugs have unique uses and are generally prescribed for people with complex or ongoing medical conditions. Specialty Drugs include the following:

- 1. Medications that treat certain patient populations including those with rare diseases;
- 2. Medications that require close medical and pharmacy management and monitoring;
- 3. Medications that require special handling and/or storage;
- 4. Medications derived from biotechnology and/or blood derived drugs or small molecules;
- 5. Medications that can be delivered via injection, infusion, inhalation, or oral administration; and
- 6. Medications subject to restricted distribution by the U.S. Food and Drug Administration.

Specialty Drugs are only available through an Optima Health specialty mail order pharmacy, including Proprium Pharmacy at 1-855-553-3568. Specialty Drugs will be delivered to Your home address. If You have a question or need to find out if Your drug is considered a Specialty Drug, please call Pharmacy Member Services at the number on Your Optima Health ID Card. You can also log onto <u>optimahealth.com</u> for a list of Specialty Drugs and specialty pharmacies.

Tier 4 also includes compound prescription medications. A compound prescription medication is used to meet the needs of a specific individual and must have at least one ingredient requiring a Physician's authorization by State or Federal Law.

Refills

Your Plan has refill limitations. You must use most of Your medication or about 75% of Your medication based on the day supply of Your prescription before You can get a refill. There are several ways to refill Your prescription. In most cases contact the retail, mail order, or specialty pharmacy where You originally filled Your prescription and request a refill. Sometimes Your doctor will prescribe a set amount of refills for Your prescription. If You have run out of refills You will need a new prescription from Your doctor. In some cases Your pharmacist may be able to call Your doctor to get more refills for You.

Deductibles, Maximum Out of Pocket Amount (MOOP), and Benefits		
Deductibles	Your Plan has the following separate Pharmacy Deductible that must be met before Coverage for Prescription drugs begins: \$150 per person, \$300 per family on Tiers 2,3 and 4 per Plan year.	
Maximum Out-of-Pocket Amount	Outpatient Prescription Drug Deductibles, Copayments or Coinsurance apply to the Plan's Maximum Medical Out-of-Pocket Limit. Ancillary charges which result from a request for a brand name outpatient prescription drug when a Generic Drug is available are not Covered, do not count toward the Plan's Maximum Out-of- Pocket Amount and must continue to be paid after the Maximum Out-of-Pocket Amount has been met.	
Insulin, and Needles and Syringes for Injection	You pay the cost sharing for the applicable Tier. A Member's cost sharing payment for a covered insulin drug will not exceed \$50 per 30-day supply per prescription, regardless of the amount or type of insulin needed to fill each prescription. Deductible does not apply.
