

Provider Alert

Urgent Provider News

Dear Provider,

This week, we are sharing the following provider updates — see below to learn more.

- [Attend a Sentara Health Plans Full Integration Webinar](#)
- [New Sentara Health Plans Provider Web Portal](#)
- [Prior Authorization Changes for Medicare Part D](#)

Attend a Sentara Health Plans Full Integration Webinar

January 1, 2024 is fast approaching. [Register for an orientation session](#), which includes ample opportunity for questions and answers about conducting business with the health plan starting in the new year.

New Sentara Health Plans Provider Web Portal

The new web portal Prior Authorization List (PAL) Tool will be accessible on Friday, December 22, 2023. The two new Sentara Health Plans have been added to the list of plans.

Please note the new URL address, pal.sentarahealthplans.com, and make any updates to your bookmarks. Please select the member's current plan and date of service to begin your search. The tool can be used to search by procedure code or full/partial code description.

Prior Authorization Changes for Medicare Part D

Starting March 1, 2024, Sentara Medicare will implement changes to prior authorization requirements for drugs billed through medical claims. Providers should refer to the [website](#) for the most up-to-date authorization requirements.

The listing below outlines the impacted medical drugs that will require authorizations starting March 1, 2024:
