The collected personal or privileged information may be disclosed to third parties without authorization. I understand that I have a right to access and correct all personal information collected about me and that I will receive upon request Sentara complete notice of information collection and disclosure practices.

I hereby authorize any provider of health services or any insurance company that has any personal medical records or knowledge of my health or my dependents' health to give to Sentara any such personal medical information for the purposes of administering coordination of benefits provisions and for the payment of claims once enrolled. This Authorization shall extend to representatives of Sentara as needed to fulfill the purposes of the disclosure. This Authorization shall not extend to the disclosure of a provider's notes taken during psychotherapy sessions that are maintained separately from the rest of the provider's medical record.

I understand any personal medical information received by Sentara pursuant to this application is subject to restrictions on disclosure to others as set forth under state and federal laws. I understand that there is a possibility of redisclosure of any information disclosed pursuant to this Authorization, and that information, once disclosed, may no longer be protected by federal rules governing privacy and confidentiality.
