

2026 Small Group Plan Changes

Effective January 1, 2026 at the group's renewal		
Medical benefit changes	Cost sharing will not apply to diagnostic breast exams received from both in- and out-of-network providers. Diagnostic breast exams mean medically necessary and appropriate breast exams—including an exam using diagnostic mammography, breast magnetic resonance imaging, 3D mammography, or breast ultrasound—that are used to evaluate an abnormality seen or suspected from a screening for the detection of breast cancer or an abnormality detected by another means of examination. All plan pre-authorization requirements apply.	
	Prostate cancer screenings covered as preventive, no charge in- or out-of-network.	
	Health Savings Account (HSA) limits have been updated for 2026. Minimum deductible: <ul style="list-style-type: none"> • \$1,700 for self-only coverage (\$50 increase from 2025) • \$3,400 for family coverage (\$100 increase from 2025) Out-of-pocket maximum: <ul style="list-style-type: none"> • \$8,500 for self-only coverage (\$200 increase from 2025) • \$17,000 for family coverage (\$400 increase from 2025) HSA contribution limits: <ul style="list-style-type: none"> • \$4,400 for self-only coverage (\$100 increase from 2025) • \$8,750 for family coverage (\$200 increase from 2025) 	
New plan types	There are new copayment-only plans.
