

New! Virginia Premium Savings

Beginning in 2027, a new program called Virginia Premium Savings (VaPS), may help eligible Virginians lower the cost of health coverage when they apply and purchase through Virginia's Insurance Marketplace. Savings and qualifications are based on your individual income estimate and household information. Virginia's Insurance Marketplace will determine your eligibility during open enrollment. Virginia Premium Savings will be applied in addition to any federal premium tax credits for which you qualify.

Sentara Health Plans is the trade name for Sentara Health Plans, Sentara Health Insurance Company, Sentara Behavioral Health Services, Inc., and Sentara Health Administration, Inc. Sentara Individual & Family Health Plans are issued by Sentara Health Plans. All plans have benefit exclusions and limitations and terms under which the policy may be continued in force or discontinued. For costs and complete details of coverage, please call your broker or Sentara Health Plans at **1-855-556-8777** or visit **sentarahealthplans.com**.

Revised August 2026

2027 Sentara Individual & Family Health Plans

Manage benefits on the go

The Sentara Health Plans Mobile App is one more way we help members get the most value from their health benefits.

Our app is free and provides secure access to claims status, our Treatment Cost Calculator, virtual consults, and other services.

With the Sentara Health Plans Mobile App, members can:

- **Find** providers and facilities.
- **Calculate** costs and view claims.
- **Access** health and wellness programs.
- **Visit** a doctor through virtual consultation.
- **Track** progress in meeting deductibles and out-of-pocket amounts.

To download the Sentara Health Plans Mobile App, scan the QR code or visit **sentarahealthplans.com/app**.

The Sentara Health Plans difference

Sentara Individual & Family Health Plans are part of an open-access network, meaning a referral is not required to see a specialist within our broad provider network. You have access to quality providers and facilities so you and your family can find the health care you need.

We offer several affordable plan options with a wide range of coverage, cost-sharing options, and Health Savings Accounts (HSAs).

Prescription drug coverage, preventive services, access to our 24/7 Nurse Advice Line, and 24/7 Behavioral Health Crisis Line are also included in our plans. With a variety of deductible and copayment options in Gold, Silver, and Bronze levels, our plans are offered on Virginia's Insurance Marketplace and directly through Sentara Health Plans.

Extra savings and discounts

Our members can save money on health products and services, including:

Fitness facilities: access to premier fitness clubs, weight loss programs, and wellness brands.

Vision extras: receive significant savings on routine eye exams, lenses and frames, and contact lenses including the cost of laser vision surgery.

Complementary therapies: discounts on acupuncture, chiropractic, and massage therapies.

Wellness and disease management programs

Sentara Health Plans offers wellness and disease management programs designed to help members improve their health and well-being. Members may be eligible to earn rewards for completing certain activities, or by participating in programs offered.

Virtual consults

Members can securely connect with a board-certified physician over the phone, online, or through video chat.

Providers are available 24/7 to diagnose and treat a variety of non-emergency medical conditions and behavioral health concerns.

For most plans, virtual consults are available at no charge when accessed through the member portal or mobile app.¹ This is a separate benefit from telemedicine visits scheduled with a member's provider.

¹Mental health and substance use disorder virtual consults may carry an additional charge.
