

Legal Plan Benefit

The Legal Plan provides comprehensive coverage for you, your spouse, and eligible dependents for many of life's most common legal needs as well as the unexpected life challenges. With access to a nationwide network of highly rated attorneys in all 50 states, you'll have experienced legal support whenever you need it covering you from start to finish of your legal matter and can be used as often as needed.

Covered services include wills and estate planning, family law, traffic matters, real estate transactions, divorce, billing disputes, and more. For fully covered services, **you pay \$0 in attorney fees**. Pre-existing legal matters and less common legal needs are covered at a 25% savings off participating law firms' normal hourly rates—providing valuable savings on more complex legal matters. Members are responsible only for non-attorney expenses, such as court costs, filing fees, and administrative fees.

Parent's, Spouses parents and stepparents are also able to use the plan and receive a 25% savings when using a plan law firm.
