

CITY OF CHESAPEAKE: A HEALTHIER YOU

Get paid for managing diabetes

The Sentara Health Plans Diabetes Management Program provides you with the support you need to keep your diabetes under the best possible control. We encourage you to work with your doctor to develop and stick with a treatment plan.

Medical participation criteria:

- You are a covered employee, spouse, or dependent enrolled with Sentara Health Plans through a City of Chesapeake medical plan.
- You are in active treatment for diabetes.
- You complete the medical program criteria.

Diabetic supplies are covered at 100%

(see Benefits Summary for details).

This program begins on January 1 and ends on December 31. Employees, covered spouses, and dependents enrolling in the program after July 1 will be accepted. However, you may only receive half of the incentive if the A1c criteria isn't met with the other requirements from the first half of the year.

Earn up to \$300 when you successfully complete the program!

Medical program criteria:

- Annual visit with physician, including a foot exam.
- Obtain A1c testing once every six months.
- Obtain annual labs/testing: Urine microalbumin and LDL cholesterol testing and a dilated eye exam.
- Follow treatment plan as prescribed by your provider to include appropriate nutrition and activity.

Information about the incentive payout:

All incentives earned will be credited to your HealthEquity® account. Incentive dollars may be used on copayments; coinsurance; deductibles (if applicable); and covered prescriptions, services, and supplies. Payouts are distributed monthly.

Employees enrolled in the Consumer-Driven Health Plan and Health Savings Account (HSA) must report incentive money earned on their W-2. This will be processed by the City of Chesapeake finance department.

Incentive money earned by employees enrolled in the HMO, POS, or PPO health plan is processed through a Health Reimbursement Arrangement (HRA) and does not need to be reported on the employee's W-2.
