

Dear Sentara Patient,

As health care providers, we are concerned with the well being of our patients from first entry to the hospital through discharge and billing.

We understand that health care expenses are frequently unplanned and satisfying this financial obligation can seem overwhelming. This is especially true if you are not covered by health insurance.

If you think that you may be eligible for financial assistance or care at a reduced rate based on your income, please help us in evaluating your eligibility for assistance by completing this form and returning it to us.

You can also call us at (757) 233-4600. We look forward to assisting you.

Please place in an envelope and mail your signed application with proof of income to:
