**Large Group Benefit Summary**

This document is not a contract or health plan policy from Sentara Health Plans. If there are any differences between this benefit summary and the Sentara Health Plans coverage documents issued when You are enrolled, the provisions of the coverage documents will prevail for all benefits, conditions, cost sharing, and limitations and exclusions.

This document is an overview of Your Covered Services and Your out-of-pocket cost sharing amounts including any Deductibles, Copayment and Coinsurance. You or Your means the Subscriber and each family member who is a Covered Person under the Plan.

Details about Covered Services are in the section "What is Covered." Details about services and treatments that are not Covered are in the section "What is Not Covered."

Some benefits require Pre-Authorization before You receive them. These services are marked with an \* in this document.

Some Covered Services may have visit limits. Once a visit limit is reached, no additional services are Covered under the benefit. If a service is shown as covered under Out-of-Network benefits visit limits are combined with In-Network and Out-of-Network benefits unless otherwise stated.

Services or treatment You receive Out-of-Network or from Non-Plan Providers will not be Covered under Your Plan unless:

1. The Covered Service is an Emergency Service or an air ambulance service;
2. During treatment at an In-Network Hospital or other In-Network Facility You receive Covered Services from a Non-Plan Provider; or
3. We have approved Your Covered Service in advance as an Authorized Out-of-Network Service.

For the services above, Members are only responsible for applicable In-Network Copayments, Coinsurance and Deductibles which will be applied to In-Network Maximum Out-of-Pocket Amounts. Members are protected from balance billing for these services.

If Your Plan has a Deductible that is the dollar amount that must be paid out-of-pocket by a Member for Covered Services each year before the Plan begins to pay for benefits.

Copayments and Coinsurances listed in this document are amounts You pay directly to a Provider for a Covered Service. Copayments are shown as flat dollar amounts. Coinsurance is shown as a percentage of the Plan's Allowable Charge for Your Covered Service. You will pay a Copayment or a Coinsurance, but not both, for a Covered Service. For some benefits You may see the statement, "Cost sharing determined by the type and place of service." For these services Your cost sharing will be based on where You receive a service, for example in a Physician office or inpatient setting, and/or the type of service.

Some benefits require Pre-Authorization before You receive them. These services are marked with \* in the chart.

Your Plan's Maximum Out-of-Pocket Amount means the total dollar amount Members pay, out-of-pocket for most Covered Services during a year. Deductibles, Copayments and Coinsurance for most Covered Services count toward the Maximum amount.

Some benefits require Pre-Authorization before You receive them. These services are marked with \* in the chart.

<b>Deductible and Maximum Out-of-Pocket Amount (MOOP)</b>		
	<b>In-Network</b>	<b>Out-of-Network</b>
<b>Deductible</b> Plan Year	\$750/Individual; \$1,500/Family	Not Covered

If one Family Member meets the Individual Deductible his or her benefits will begin. Once the total Family Coverage Deductible is met benefits are available for all Family Members. No one Member can contribute more than their Individual Deductible amount to the Family Deductible. Copayment or Coinsurance amounts a Member pays for services shown as Covered without a Deductible will not count toward meeting the Individual or Family Deductible. Any amounts applied to the Plan Deductible during the last three months of the Plan year can be carried forward to the next year.</p>

If You have other Family Members on Your Plan the Family Maximum applies. Under Family coverage the Individual Maximum applies separately to each covered Family Member. Once the total Family Coverage Maximum is met the Family Maximum Amount is satisfied. No one Member can contribute more than their Individual Maximum Amount to the Family limit.</p>
