Effective Date: January 01, 2014

Review Date: September 2013, 10/13; 11/13, 12/15, 2/21

Revised Date: October 2014; 11/14, 02/15, 7/19, 8/19, 10/19, 2/20, 5/20,
6/21, 7/21

Covered: **Medicare only.**
See appropriate benefit document for specific coverage

Exceptions: **Providers who are NOT contracted network Providers.**

Authorization: **Policy remains on Preauthorization without medical
criteria but authorization for place of service at
contracted network providers.**

Procedure:

Genetic testing (also called DNA-based tests) is among the newest and most sophisticated of techniques used to test for genetic disorders which involve direct examination of the DNA molecule itself.

Clinical Indications for all Medicare Members:

All Genetic testing services are covered with Contracted Network Providers.

For Reference only (Optima currently approves without medical criteria)
