

AssuredExcellence™ Infusion Therapy

AssuredExcellence includes access to infusion therapy services through Option Care Health

Option Care Health is recognized as the **top infusion provider** in the United States, offering a wide range of infusion therapy services. They provide customized treatments for patients with acute and chronic conditions, ensuring high-quality care and compliance with industry standards. Their services include:

- ✓ Home infusion therapy
- ✓ Infusion suites
- ✓ Comprehensive support for healthcare providers.

Option Care Health's commitment to patient care and innovative solutions has made them a preferred choice for both patients and healthcare providers.

Check your eligibility today:

1. Call the AssuredExcellence team at 888-856-4317 to check eligibility.
2. Complete an application; provider will review.
3. Provider will gather and review medical records.
4. Consultation, surgery, or services are scheduled.
5. A stipend is paid to you to assist with lodging & transportation.

If you're interested in learning more about the program, checking to see if it includes benefits for the services you need and/or receiving an application, contact AssuredExcellence at **888-856-4317** or via e-mail at AssuredExcellence@AssuredPartners.com.
