

PGY1 Pharmacy Residency

Norfolk, Virginia

Resident Biographies

2024-2025 PGY1 Class

Current Residents

Robert Aguilar, PharmD

Robert Aguilar is originally from Los Angeles, CA. He received his Bachelor of Science in Health Administration Services from Weber State University and Doctor of Pharmacy Degree from the University of Utah College of Pharmacy. His practice interests include emergency medicine and critical care. This year his research will evaluate safety and efficacy of clonidine vs. guaifenesin for weaning dexmedetomidine. Upon completion of his PGY1 residency, Dr. Aguilar will complete his PGY2 residency in emergency medicine at Jackson Memorial Hospital. Outside of pharmacy he enjoys bowling, playing video games and hiking.

Shawn Beach, PharmD

Shawn Beach is originally from Rochester, NY. He received his Bachelor of Science in Chemistry from St. John Fisher College and Doctor of Pharmacy Degree from the University of Colorado Skaggs School of Pharmacy and Pharmaceutical Sciences. His practice interests include emergency medicine and critical care. This year his research will evaluate time to patient-controlled analgesia in reducing inpatient length of stay. Upon completion of his PGY1 residency, Dr. Beach will complete his PGY2 residency in emergency medicine at Denver Health. Outside of pharmacy he enjoys golfing, skiing and playing soccer.

Liam Furlong, PharmD

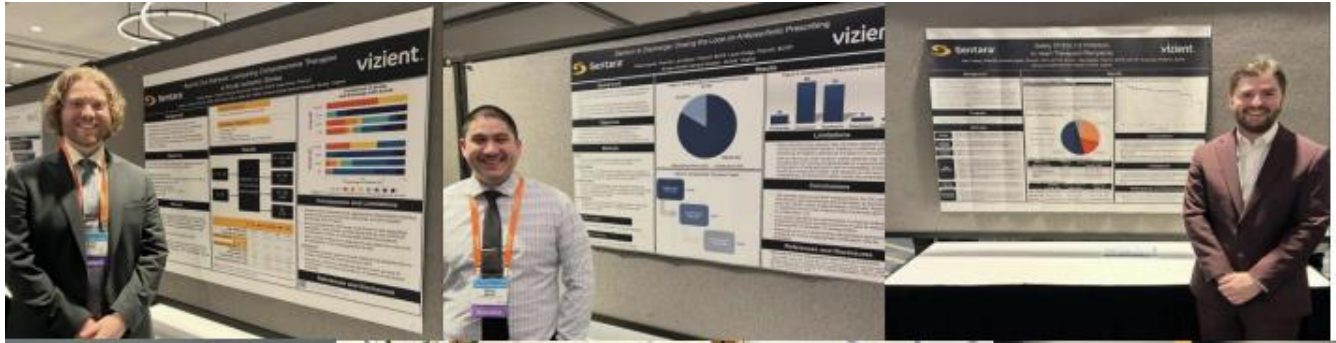

Liam Furlong is originally from Long Island, NY. He received his Doctor of Pharmacy Degree from the University of Rhode Island. His primary practice interest is in transplant. This year his research will evaluate valganciclovir dosing in kidney transplant patients requiring hemodialysis. Upon completion of his PGY1 residency, Dr. Furlong will complete his PGY2 residency in transplant at Houston Methodist. Outside of pharmacy he enjoys listening to Irish music and staying active.

Nathalie Soriano Pereira, PharmD

Nathalie Soriano Pereira is originally from Añasco, Puerto Rico. She received her Bachelor of Science in Biology with Emphasis on Biomedical Sciences from the University of Puerto Rico and Doctor of Pharmacy Degree from Albany College of Pharmacy and Health Sciences. Her practice interests include teaching and infectious diseases. This year her research will evaluate therapeutic days and impact of intravenous vs. oral antibiotics on clinical outcomes in gram-negative bacteremia. Upon completion of her PGY1 residency, Dr. Soriano Pereira plans to practice as a clinical pharmacist and precept students. Outside of pharmacy she enjoys crossfit, running and crafts.
