H. CERTIFICATION AND AUTHORIZATION

The following section must be signed and dated by the primary applicant.

I have read, or have had read to me the completed application. I have maintained a copy of the completed application and I realize that any false statements in the application may result in loss of coverage under this policy.

I understand that coverage will be through my employer's health plan. I understand that my employer's application will determine the coverage and that coverage will only be in place if an application for the coverage has been made by my employer. I am working at the employer's place of business in full-time employment at least twenty-five (25) hours per week. If I am accepted as eligible for coverage, I authorize my employer to make deductions from my earnings necessary to provide my contribution for this coverage and I understand that my employer is performing this service for my benefit and is not an insurance agent for the Sentara Health Plans or Sentara Health Insurance Company.

I understand that coverage becomes effective on the date shown on the Member ID card issued to me or my dependents. I am applying for health coverage for the persons listed on the application, and I agree that I will comply with the requirements in the Group Contract and Evidence of Coverage or Certificate of Insurance issued to my employer when I enroll in my employer's plan.

I understand that it is my responsibility to report to Sentara Health Insurance Company or Sentara Health Plans any changes in my or my dependent's situation, such as a change in jobs, marriage or divorce, or living situation that could affect the eligibility of myself and my dependents for coverage under my employer's health plan. I agree to provide proof of my employment and any other eligibility information that Sentara reasonably requests.

I hereby authorize any provider of health services, or any insurance company that has my personal health records or knowledge of my health or my dependents' health to give Sentara Health Plans or Sentara Health Insurance Company as checked on page one, any such information for the purposes of administering my health benefits and for the payment of claims for me or my dependents who are enrolled under my employer's health plan. This authorization shall not extend to the disclosure of a provider's notes taken during psychotherapy sessions that are maintained separately from the rest of the provider's medical record.

I understand any personal health information received by Sentara pursuant to this application is subject to restrictions on disclosure to others as set forth under state and federal laws. I understand that there is a possibility of redisclosure of any information disclosed pursuant to this Authorization, and that information, once disclosed, may no longer be protected by federal rules governing privacy and confidentiality. I understand that authorizing the disclosure of this health information is voluntary. I need not sign this form in order to assure treatment. I understand that I, or my authorized legal representative, may receive a copy of this Authorization upon request, and I agree that a photographic copy of this Authorization is as valid as the original.

I understand that, for the purpose of collecting information in connection with this application, this authorization is valid for 30 months from the date of my signature. I understand that for the purposes of processing and payment of claims and for administration of coordination of benefits provisions, this Authorization is valid for the term of the policy.

I understand that I can revoke this Authorization at any time by giving written notice to Sentara Health Plans or Sentara Health Insurance Company at 1300 Sentara Park Virginia Beach, VA 23464. I also understand that if I revoke my Authorization it will not affect the rights of any individual who has acted in reliance on the Authorization prior to receiving notice that I am revoking it.

If a legal representative signs on behalf of the applicant or any other person to be covered, the legal representative's signature constitutes an attestation that the legal representative possesses the authority to sign on behalf of the individual.
